

A smarter way to manage event
ticketing & registration

*"From registration to accreditation – one
platform for all event needs."*

The Problem

For Participants

- ✗ Long queues & manual ticket checks
- ✗ Lost/forgotten tickets
- ✗ Limited access to agenda & updates
- ✗ No direct platform to ask speaker questions
- ✗ Difficult networking with other attendees
- ✗ Payment issues during registration

For Organizers

- ✗ No centralized ticketing + registration system
- ✗ CRM is disconnected or absent
- ✗ Hard to reach the right audience
- ✗ Lack of design/custom branded tickets
- ✗ No data analytics post-event
- ✗ No integration with payment providers or validation devices

The Solution

Ebiletstore = Full Event Lifecycle in One Platform

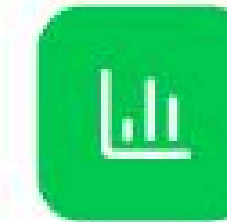

Pre-Event

- ✓ Registration forms
- ✓ Agenda setup
- ✓ Target audience outreach

During Event

- ✓ On-site accreditation
- ✓ Ticket scanning & validation app
- ✓ Networking & match-making (upcoming)

Post-Event
