

Backed by **500** Global

Making online payments
& e-commerce accessible
for SMEs

www.epoint.az

The problems SMEs facing are as follows:

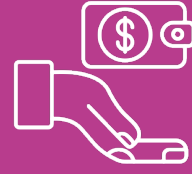

30 Days

Website Dev

20 Days

Bank Bureaucracy

7 Days

Payout

Another pain points:

No CMS Plugins
No additional features
No all-in-one solution

One mandatory bank
No payouts on holidays
No cross-border

SOLUTION

Why get less when you can get more?
