Introduction

Discover discounts & deals around you instantly with EndiRun!

EndiRun is your go-to mobile app for discovering the best discounts, deals, and special offers around you — instantly and effortlessly. Whether you're shopping for clothes, dining out at your favorite restaurant, or looking for everyday essentials, EndiRun helps you save money while enjoying more of what you love.

Problem Statement

Ignorance of discounts

Customers must search each company's website, social page for any discount. This creates time, and lack of each one.

Too much retail

Some companies, stores, restaurants share their discounts only on their websites or social pages or they don't share

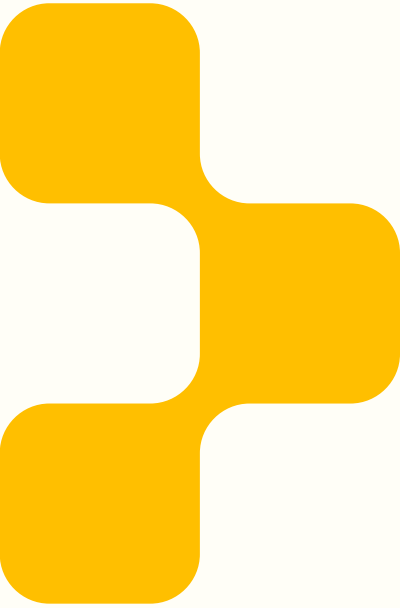

Authenticity and quality of discounts

The market changes fast, and startups need to keep up. But without a big team or resources, it's tough to stay on top of the latest trends and adapt their marketing strategies accordingly.

Our Innovative Solutions

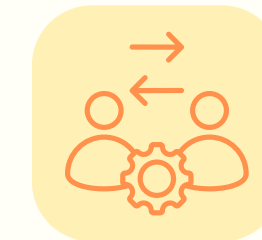

Centralized view

Allow you can see discounts from various stores, restaurants and etc. in one screen with official and non-official discounts.

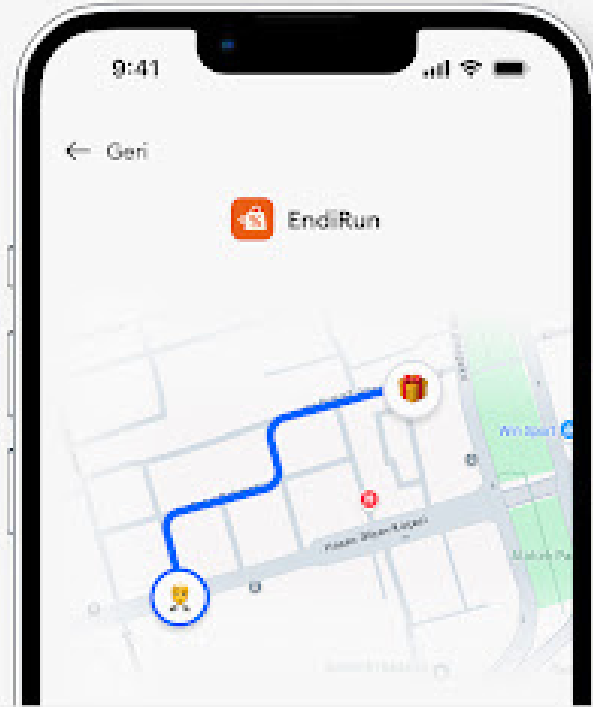

Real-time notifications

Sending notifications about discounts on real time based on location

Giving feedback and share discounts

Sharing discounts and giving feedbacks about these which are truly or no

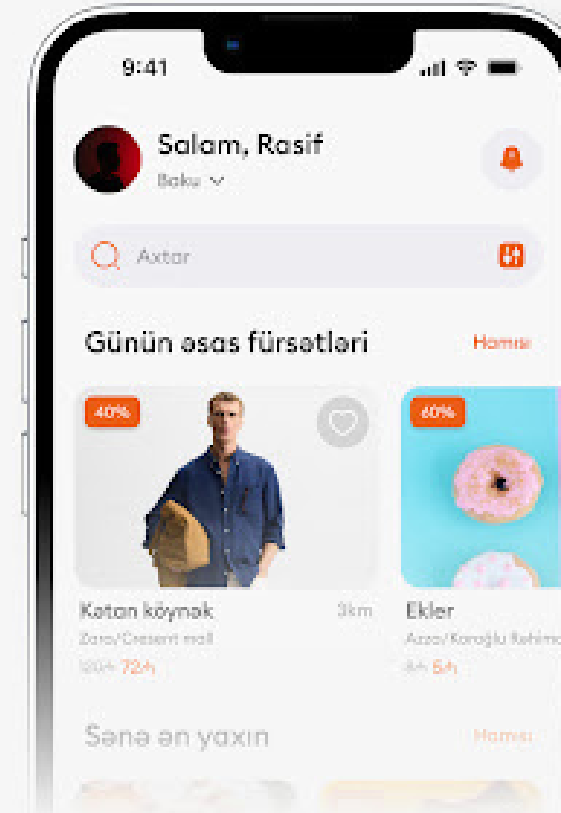

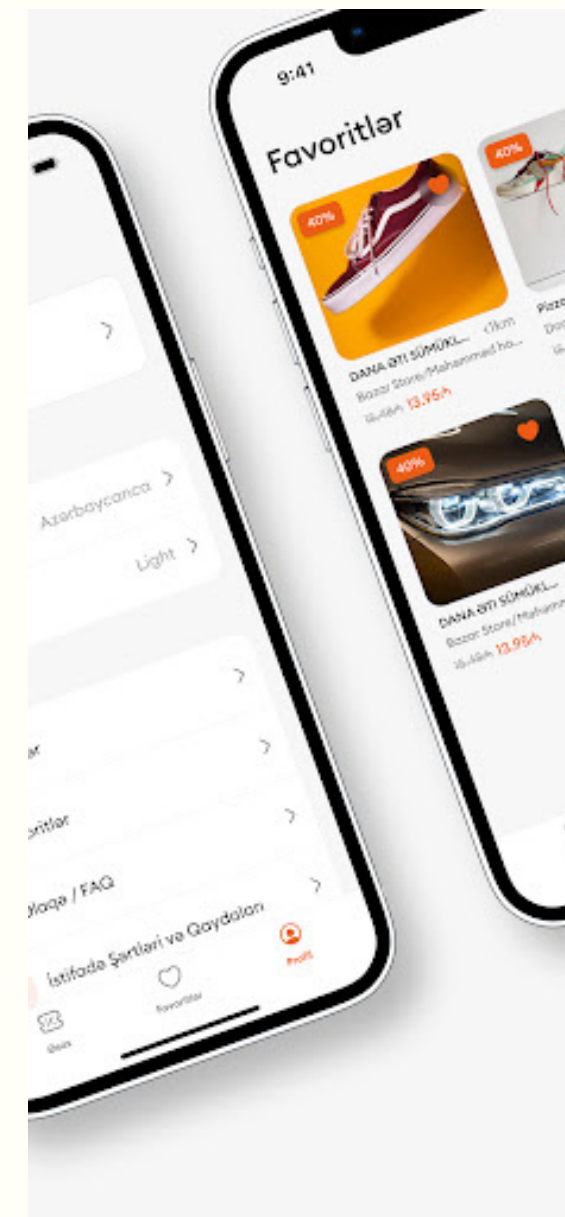

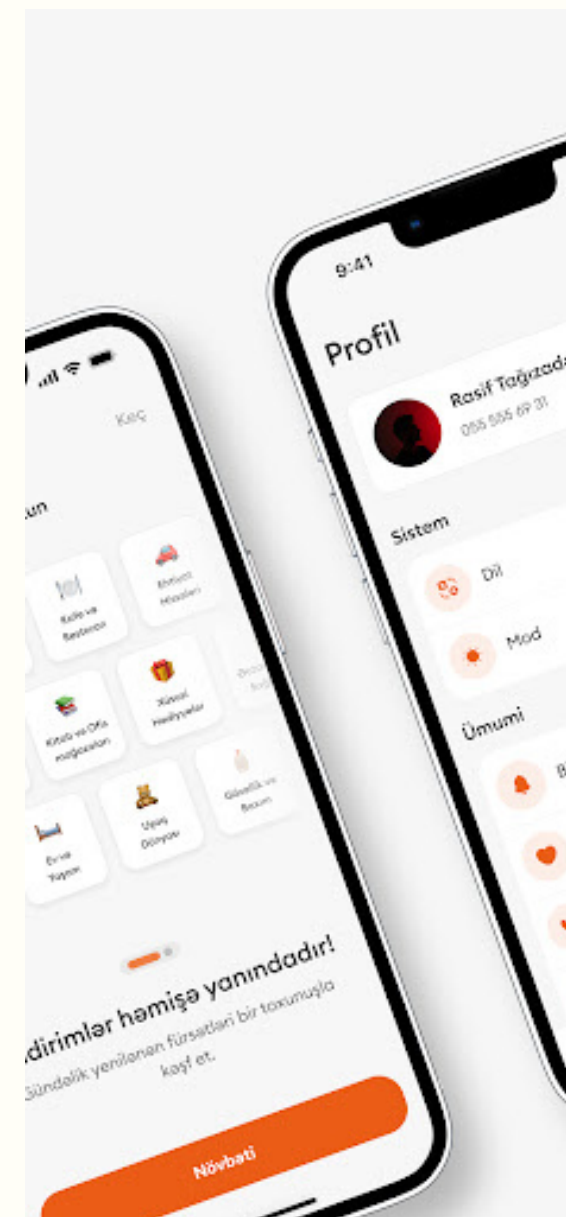

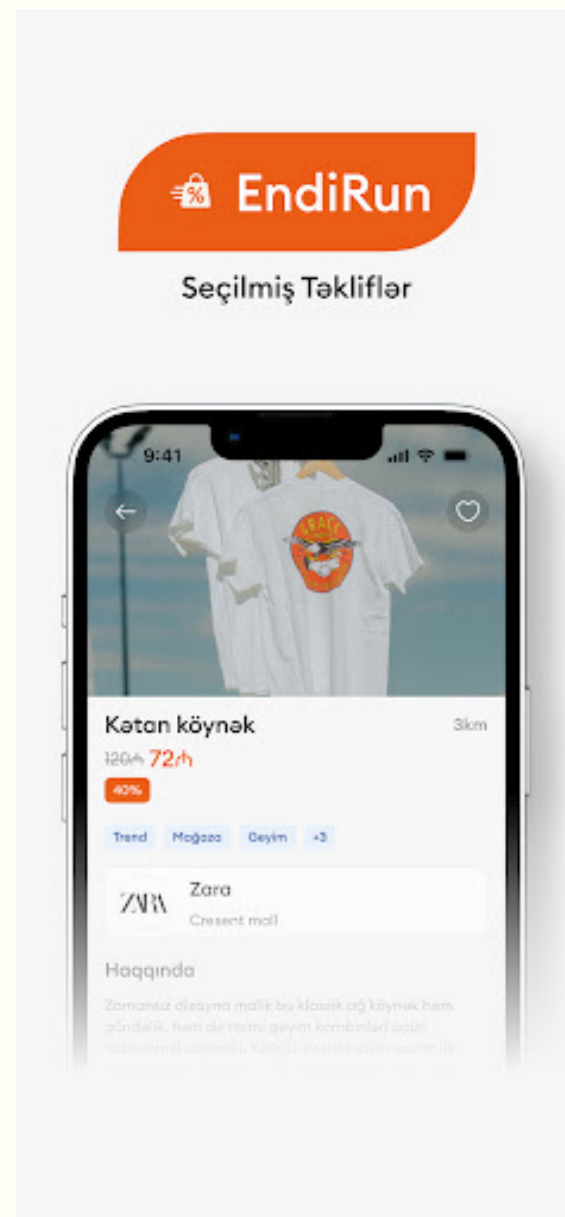

Endirimlər həmişə yanındadır!
